Re: Compliance Economic Review of Rules and Required Report, Section  
120.745(5)(a), Florida Statutes

Dear Mr. Plante:

I have performed a Compliance Economic Review of all rules, including a separate review of all subparts of the Withlacoochee Regional Water Supply Authority. There are no Group 1 or Group 2 rules adopted by the Authority which need to be reported pursuant to subparagraph (2)(g)(3).

There have been no new rules adopted nor are any intended to be adopted this year by the Withlacoochee Regional Water Supply Authority and no rulemaking activity has been undertaken which would in any way change the results of the Enhanced Biennial Review and Report previously submitted to the Committee. We will be publishing a copy of this Compliance Economic Review along with directions on how and when interested parties may submit lower cost regulatory alternatives to the Authority's rules within the near future. By copy of this letter, we are also submitting this report to the Rule Ombudsman in the Executive Office of the Governor.

Cordially,

DENNIS DAMATO, Chairman
