Government and Community Affairs Office

Permit Noticing Request Tool

- This tool allows you to request the District send you electronic notification of any new permit or application matching criteria you select
- This Permit Noticing Request tool can be used for both Water Use and Environmental Resource Permits

<https://www.swfwmd.state.fl.us/business/epermitting/noticing-information>

Permits & Rules

Welcome to the Permit Noticing Request Tool

This tool allows you to request that the District send you copies of any new permit or application meeting criteria you select. You can also request to receive copies of any agency actions meeting selected criteria. This Permit Noticing Request tool can be used for both Water Use and Environmental Resource Permits.

New Requestors Start Here

Start the Requestor registration process here, where you will be required to enter your contact information, e-mail address, and choose a password.
