

Local Government Water Supply and Conservation Funding Assistance Program

Program Guidelines:

Since 1999, the Board of Directors of the Authority has provided assistance to local governments for water supply and conservation projects. The criteria for possible funding of a local water supply and conservation project are as follows:

1. The project must be within the Withlacoochee Regional Water Supply Authority jurisdiction, which is comprised of Marion, Citrus, Sumter and Hernando Counties.
2. For FY 2024-25, the project must relate to water conservation.
3. The project must be approved by the submitting local government's City Council or County Commission prior to submittal to the WRWSA. A resolution of support of the project and commitment of any co-funding by the local government should accompany the application. The Authority, in its sole discretion, will evaluate and approve/disapprove each project based on its merits.
4. The Authority Board of Directors will establish the amount of money available each year for the grant program. For Fiscal Year 2024-25, the Board has tentatively set a budgeted amount of \$180,000. The number of approved applications and associated costs will determine the amount of funding for each project. Generally, the Authority funds 50% of a project budget up to the maximum set by the Board.
5. The local government applicant must provide a scope of services for the project that describes the objective of the project, the tasks involved in the project, the cost per task and the time frame for completion of the project.
6. If either the approved project tasks or the project time frames are changed, the project applicant must revise the scope of services as soon as they are known and receive approval of these revisions from the Authority. Changes to the internal budget of a project may be approved by the Executive Director up to a 10% change in budget items, as long as the overall cost of the project does not increase. Changes in excess of 10% must be approved by the Authority Board. The Authority Executive Director may also approve changes in the project time schedule as long as the contract completion date is not changed. All requests for changes in budget and schedule must be submitted in

writing to the Executive Director. Any requests requiring Board approval will be scheduled for consideration at the next regularly scheduled Board meeting. Requests for an extension of the contract completion date must be done prior to the expiration of the contract.

7. The application process will open on May 1 of 2024 and close on the last working day in June. The applications will be considered by the Board beginning at its July Board meeting. The [*grant application form*](#) and a [*draft contract*](#) are available on the WRWSA webpage. Grant awards will be made no later than the September Board meeting. Grant contracts will be prepared by the Authority in consultation with the grant recipient.
8. All public supply utilities within the region and member governments are eligible to apply for the WRWSA grants.
9. Applicants with past or ongoing grant projects may apply for a new grant, provided that the past, or ongoing, grant is on schedule, unless extenuating circumstances warrant a special exception. Such exceptions would be entirely at the discretion of the Authority Board.
10. Having had a previous grant from the WRWSA will not diminish standing for ranking applications, but will be only one consideration for ranking applications, including past performance in implementing projects.
11. The WRWSA local grant program is structured whereby invoices may be submitted monthly or bi-monthly for reimbursement of 50% of the costs incurred, consistent with the approved grant contract and scope of services. WRWSA grant contracts will contain a provision stating that the WRWSA grant funds expended to-date must be refunded by the grant recipient if a project is abandoned before it is completed.

Reimbursement requests must include all documentation required by the AUTHORITY for proper audit review and the GRANTEE shall certify that the request for payment is appropriate and that said task or portion thereof has been completed.

C. The GRANTEE shall provide the AUTHORITY with a schedule and description of "tasks" for the PROJECT with the cost associated with each task set forth.

D. The Grantee shall submit a final PROJECT reimbursement request after completion of the project, which shall be no later than September 30, 2025. The final reimbursement request

must be submitted no later than December 31, 2025. Requests submitted after December 31, 2025 shall not be considered for reimbursement.

E. The AUTHORITY shall, within sixty (60) days after receipt of a payment request, review the work accomplished to date under this Agreement and, if the work and payment request are in accordance with all applicable requirements, approve the request for payment.

15. The AUTHORITY shall also have the right to demand a refund, either in whole or in part, of the funds provided to the GRANTEE for non-compliance with the terms of this Agreement if not cured within thirty (30) days of written notice thereof from the AUTHORITY. The GRANTEE, upon notification from the AUTHORITY, agrees to refund and will forthwith pay to the AUTHORITY, the amount of money demanded by the AUTHORITY. Such refund shall include interest calculated at two percent (2%) over the prevailing prime rate as reported by the Federal Reserve on the date the AUTHORITY calculates the amount of refund due. Interest shall be calculated from the date(s) of payment(s) to the GRANTEE by the AUTHORITY.

16. The employment of unauthorized aliens by a GRANTEE is considered a violation of Section 274A(e) of the Immigration and Nationality Act. If the GRANTEE knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of this Agreement. The GRANTEE shall be responsible for including this provision in all subcontracts with private organizations issued as a result of this Agreement.

18. This Agreement strictly prohibits expenditure of these funds for the purpose of lobbying the Florida Legislature, the judicial branch, or a state agency.

19. The GRANTEE shall have an audit performed in accordance with the Rules of the Auditor General promulgated pursuant to §11.45, Florida Statutes, and have a statement prepared by an independent certified public accountant which attests that the GRANTEE has complied with the provisions of this Agreement and whether the audit results in an unqualified opinion.

20. A person or affiliate who has been placed on the convicted vendor list following a conviction for public entity crime may not perform work as a grantee, contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity

22. This Agreement is not intended nor shall it be construed as granting any rights, privileges or interest in any third party without mutual written agreement of the parties hereto.

23. This Agreement represents the entire agreement of the parties. Any alterations, variations, changes, modification or waivers of provisions of this Agreement shall only be valid when they have been reduced to writing, duly executed by each of the parties hereto, and attached to the original of this Agreement.
